### INDEPENDENT AUDITORS' REVIEW REPORT ON CONDENSED INTERIM FINANCIAL INFORMATION

### TO THE MEMBERS OF QUETTA TEXTILE MILLS LIMITED

#### Introduction

We have reviewed the accompanying condensed interim statement of financial position of **Quetta Textile Mills Limited** as at **December 31, 2020**, and the related condensed interim statement profit or loss, condensed interim statement of comprehensive income, condensed interim statement of cash flows and condensed interim statement of changes in equity together with the notes forming part thereof (here-in-after referred to as the "interim financial information") for the half year then ended. Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

The figures of the condensed interim profit and loss account and condensed interim statement of comprehensive income for the quarter ended December 31, 2020 and December 31, 2019 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2020.

#### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of the persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Basis for Qualified Conclusion

a) The company has accounted for markup on outstanding balances in respect of short term borrowings, long term financing from banks at the rate of one percent per year instead of applicable rates. Had the company accounted for finance cost, the loss for the period would have been higher by Rs. 174.593 million approximately. Consequently the aggregate amount of accrued markup would have been increased by Rs. 174.593 million approximately and aggregate accumulated loss would have been higher by the same amount.

b) The company has not accounted for the amount approximately Rs. 420.130 million payable in respect of Gas Infrastructure Development Cess (GIDC) in the financial statements. Had the above amount been recorded in the accounts, the loss would have been increased by Rs.420.130 and consequently the liability would have been increased by the same amount.

### *Material uncertainty relating to Going Concern*

We draw attention to note 1.3 in the financial statements which indicate that the company has incurred a net loss of Rupees 339.53 million during the half year ended Dec 31, 2020 and as of that date, reported accumulated losses of Rupees 3,537.06 million. The company's current liabilities exceed its current assets by Rs. 5,470.03 million. In addition to this, the company's financing arrangements with financial institutions amounting Rs.2.408 billion had been expired on 30.06.2020. The company is under litigation with these financial institutions with respect to its financing arrangements.

These conditions along with other matters as explained in note 1.3 indicate the existence of a material uncertainty that may cast significant doubt about the company's ability to continue as a going concern. These financial statements, however, have been prepared on the going concern basis on the assumptions as detailed in aforesaid note. Our opinion is not modified in respect of this matter.

### **Qualified Conclusion**

Based on our review, except for the effects of the matters described in basis for qualified conclusion paragraph, nothing has come to our attention that causes us to believe that the accompanying interim financial information for the half year ended 31<sup>st</sup> December, 2020, is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the review resulting in this independent auditor's review report is **Mr. Zahid Hussain Zahid ACA.**
